Re: Courses in Driver's Education

Your son or daughter will be eligible to get their permit in the next school year (2021-2022), if they turn 15 by December 30, 2021. The following is when Driver's Education will be offering classes at River Ridge. A little change from previous years is that River Ridge is holding the classroom portion and not contracting through SWTC for this part. River Ridge is still contracting through SWTC for the behind the wheel portion of the Driver's Education course.

We will be offering the following sessions this summer for students to complete 30 hours of classroom instruction and attendance is mandatory for all 30 hours:

**Session #1:** June 7- June 25 (Monday thru Friday) from 8:00-10:00am - must provide your own transportation

**Session #2:** July 5-28 (Monday thru Thursday, the last week will only be Monday thru Weds) from 8:00-10:00 am - there is an option of bussing with this session, please ask for more information if your child may need bussing.

Registration will be on the first 25 seats available and on a first come first serve basis with registration returned to Mrs. Quick. Please contact me with any questions.

**\*\*After completion/passing of the classroom portion and when your child turns 15.5 years of age, they are eligible to get their permit. In order to receive the paperwork from me for the permit, they will need to register with SWTC and pay the behind the wheel fee. DO NOT DO THIS UNTIL THEY ARE WITHIN 1 MONTH OF TURNING 15.5 years of age. Currently, the fee is \$465.00 for the behind the wheel.**

Sincerely,

Michelle Quick
