

River Ridge Summer Fun Camp! Grades 1-6

April 1, 2018

Dear Parents/Guardians:

My name is Michelle (Mickey) Quick and I am this year's summer school coordinator. For those who have had children attend summer school in the past, there will be some changes to this year's program but we hope that they are for the better. The following are some of the changes that you will see happening:

1. The dates for summer school this year will be July 9-August 2, 2018 and classes will only take place on Monday thru Thursday from 8:00-12:45.
2. Breakfast and Lunch will be offered. It will run similar to the way that it is during the school year so that means if you are on free/reduced, you will still have free/reduced and if you pay, you will still pay. If you choose to not have your child eat lunch here at school, please send a lunch with them as it would be a long time to go without eating.
3. Every student will have reading and math classes this summer
4. Enrichment classes will last for a 2 week period and then they will change to another enrichment course for the last 2 weeks, so each child will have 4 different enrichment classes for the summer.

Attached is a registration form with a brief description of each class. Please complete the form as instructed and turn it into your teacher as soon as possible. **Your child is not guaranteed all of the classes he/she chooses but I will do my best.**

Transportation will be provided from certain pick-up and drop-off points by Warco Transportation. Please indicate if your child will need transportation and where they will be before/after summer school so I can give that information to the bus company. Warco will then determine the location and the time when they will be picked up. Around the middle of May, your child will receive a letter at school that indicated which classes they are in and information on the busing.

**Please have the registration form turned into your teacher by
Friday, April 13, 2018.**

If you have any questions or concerns, please feel free to contact me.

Michelle (Mickey) Quick
Summer School Coordinator
