

5K Creative Camp 2018 Summer School

Spring is here, and that means it's time to start thinking about summer! This year, there will be a special summer school program for current River Ridge 5K students. The program will focus reading and math skills in fun and interactive ways to help prepare your child for 1st grade. Using a variety of learning methods, your child will engage in activities to help inspire a love of learning and incorporate skills necessary for advancement in their education.

Breakfast and lunch will be available for all students this summer. The breakfast/lunch will run as it does in the school year and be charged to your family account, so if you are on free/reduced lunch, that will remain the same and those who pay for the lunches, the price is the same as the school year. If you choose to not have your child eat a lunch here at school, please pack a lunch for them as it would be a long time for them to not have eaten anything.

Summer School dates:

July 9- August 2, 2018 (Monday thru Thursday ONLY)

Time: 8:00-12:45

Please return the attached sheet to your teacher by April 13th.
