It is important that you be familiar with and understand the information contained in this handbook.

This handbook is provided for informational purposes only and is intended to provide a general overview. Nothing in this handbook is to be interpreted to create an express or implied contract, covenant, promise or representation between the District and you. There is no employment agreement intended or implied by this handbook.

The Board reserves the sole right to add, change, withdraw, or revoke any or all policies or practices at any time for any reason, with or without advance notice. The Board will review the handbook at least annually, or as needed. Where benefits and other specific matters are addressed in any written employment contract signed and approved by the Board or its authorized designee, they are governed by the contract to the extent it applies. Except where there is express language in a contract that conflicts with the language in this handbook, this employee handbook supersedes and replaces any and all previously stated policies and practices, oral or written representations, or statements of the District including, but not limited to, those contained in any handbooks or correspondence.

This handbook is intended to be used and read in conjunction with existing Board policies. While a number of Board policies are expressly included or referenced in this handbook, the fact that other policies are not specifically included or referenced in this handbook does not affect their applicability or enforceability.

All employees are expected to conduct themselves in a professional manner at all times.

At the beginning of each year, employees shall be credited with paid sick leave days to be earned during such school year. At the beginning of each school year, each employee will receive a statement showing the number of sick leave days accumulated from previous years, number of sick leave days due for the current year, and the total number of sick leave days available to the employee for the current year.

Immediate family is defined as spouse, parents, children, grandchildren, stepchildren, stepparents, siblings, in-laws, grandparents, aunts, uncles, nieces, nephews or any person living under the same roof as the employee. If at all possible, requests for emergency leave shall be made in advance to the Superintendent or designee. In all cases, employees are expected to make whatever arrangements necessary to return to work as quickly as possible. Emergency leave days are not to be considered a part of sick leave and are not cumulative. Final approval for emergency compensation shall be at the discretion of the Superintendent or designee. Unusual situations will be taken under consideration by the Superintendent or designee. The decision of the Superintendent or designee is final.

- ❖ Class I employees – as per individual contract

commencing each July 1. Annual vacation is based on the following schedule:

- ❖ Class IA employees – as per individual contract

Employees hired prior to 7-1-2012 will maintain the yearly vacation increment they currently have until they advance on this schedule. The Board reserves the right to negotiate adjustments from this schedule with individual employees.

Holidays

The following holidays shall be observed:

New Year's Day, Friday in Spring, Memorial Day, 4th of July, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Eve Day, Christmas Day and New Year's Eve Day. If the holiday lands on Saturday or Sunday, administration will determine which workday shall be observed as the holiday.

All employees summoned for jury duty shall, at the employee's option, receive full pay while summoned for or serving on a jury on their regular work days up to 10 days per year. Any employee who exercises this option to receive full pay, must turn in to the District any compensation, excluding any mileage or meal allowance, received for such duty. On any day when an employee's jury service ends before the end of the employee's usual work day, the employee must check in with the district office to find out whether he or she needs to return to work for that day.

Military Leave

Employees shall be granted military leave in accordance with applicable federal and state laws.

Family and Medical Leave

It is the policy of the River Ridge School District to comply with all applicable state and federal laws concerning child-rearing, personal illness or family illness leave. Leaves provided by the District which are taken for the same reasons as leaves covered by the FMLA are not in addition to leave provided under the FMLA. If leave qualifies for family or medical leave under both the federal and state laws, the leave used counts against the employee's entitlement under both state and federal FMLAs concurrently. Leave covered by the FMLA will be deducted from the annual entitlement under the FMLA. The River Ridge School District will follow a twelve month rolling calendar for calculating FMLA leave.

If an employee is eligible for leave under the Federal Family and Medical Leave Act, the District will require the employee to substitute any earned or accrued vacation or personal days to which the employee is entitled, for child rearing or family illness leave provided under the Federal Law and thus convert the unpaid leave into paid leave. Also, the District will require employees to substitute any sick leave to which the employee is entitled, for personal illness leave provided under Federal Law, and thus convert the unpaid leave into paid leave. When paid leave is substituted for unpaid leave under Federal Law, the substitute leave will be counted as leave taken under the Federal Law.

Absence From Work - Duty To Report

Any employee who is unable to report for work at the beginning of his/her workday shall notify the designated district sub contact at 608-994-3731, leaving a detailed message which includes: the reason for such absence, if a sub is needed, grade level, time needed (a.m. only, p.m. only, all day) and any other pertinent information. Notification should be made the night before such absence, if possible, or at least one hour before the commencement of the shift.

Leaves For Unusual or Special Circumstances

Leaves for unusual or special circumstances may be granted at the discretion of the Superintendent or designee. The decision of the Superintendent or designee is final.

Absence Without Leave

No employee may absent himself/herself from duty without permission of his or her supervisor. Absence without leave shall be reason for discharge. Any employee absent for three consecutive working days without notice shall be considered to have resigned from District service, contingent upon unique extenuating circumstances.

HOURS AND SCHEDULES

All full time Class I employees are expected to fulfill an eight (8) hour day between the hours of 7:00 a.m. and 5:00 p.m. All full time Class II employees are expected to be at work

between the hours of 7:30 a.m. and 3:30 p.m. with an extra ten (10) minutes added to either the beginning or end of the day. Exceptions are:

1. Teachers are not required to remain on Friday, or the last student contact day of the week, after students have departed on the buses.
2. Teachers are not required to remain on the school premises after students have departed on the buses on the last day of school before vacation or on the days indicated on the calendar as early release, unless the early release of student is for staff development.
3. Teachers may be released, by the Administration, on an individual basis after the students have been dismissed to prepare for an evening activity scheduled at school, to attend classes, keep medical appointments, etc.
4. Teachers are not required to remain at school after students have departed on the buses on days when school is dismissed early due to emergency conditions.

In addition, all Class II employees, whether full time or part time, shall be expected to perform other duties as may be required by their positions including, but not limited to, attending parent-teacher conferences, participating in IEP Team meetings, directing band or choral concerts or school play activities and attending staff meetings and in-services as required by administration. From time to time, this may include starting earlier than 7:30 a.m. or ending after 3:30 p.m. with an extra ten (10) minutes added to either the beginning or end of the day.

The hours of full time Class III employees will generally be an 8.5 hour day, which includes one-half hour of unpaid lunch or dinner time. Normal business hours of the District are 7:30 a.m. to 3:30 p.m. Scheduling of hours shall, however, be at the discretion of the Administration due to the needs of the District and the nature of each position.

The hours of all part-time employees will be determined by the administration.

RESIGNATIONS AND RETIREMENTS

All Class I and Class II employees are expected to fulfill their contracts. All other employees are expected to give two weeks' notice to Administration. Resignation of employees with individual contracts shall be governed by the contracts. Any employee eligible for resignation or retirement benefits, should submit their letter of intention to resign or retire to Administration on or before March 15 of the calendar year in which the employee wishes to resign or retire. Although this is not mandatory, the district appreciates the professional courtesy in order to plan for the next year.

Employees serving the District who have at least fifteen (15) years of experience in the River Ridge School District are entitled to a resignation/retirement cash payment of their unused accumulated sick leave per the following schedule:

This would be offered every three years to eligible teachers starting with the 2019-20 academic year. The next eligible academic year for the retirement package would be 2022-23.

CONTRACT RELEASE

Employees signing a contract with the River Ridge School District do so with a sincere intention of fulfilling their term of said contract. In the case of unforeseen events or of professional advancement, the District should be notified prior to July 1, to obtain a release from said contract.

Contract release schedule:

- ❖ Class I employees – as per individual contract
- ❖ Class II employees – After July 1, a ten (10) calendar day notice, in writing, must be given to the Board of Education accompanied with liquidated damages of \$1,000. Employees who resign after August 1 shall pay liquidated damages in the amount of \$2,000 to the District.

The Board, in its discretion, may refuse to release a Class I or Class II employee from his or her contract. In the event a release is refused, the liquidated damages shall be returned to the employee.

The Board may waive payment of liquidated damages for reasons that it, in its exclusive discretion, deems appropriate (e.g., spouse transferred, serious illness, etc...).

JOB VACANCY/TRANSFER

When a job vacancy occurs, or a new position is created, the District shall state in the posting and/or advertisement, if any, the minimum requirements necessary for an application to be considered. Employees may apply for any vacancy for which they are qualified but the District reserves the right to select the most qualified candidate to fill any vacancy. This section shall not be construed to require the posting of any new position or vacancy.

STAFF REDUCTION

Class I Employees

Staff reduction involving Class I employees shall only occur through the nonrenewal process absent specific language in the individual contract of a Class I employee or express provision of law. Any such nonrenewal shall be expressly described as being due to decrease in enrollment, budgetary or financial limitations, educational program changes or requirements, or any other reason other than performance or conduct.

Class II Employees

When it becomes necessary to lay off teachers, in whole or in part, for reasons other than performance or conduct, the Board will make the reduction. Consideration of qualifications, areas of certification and the needs of the school district will be used.

In laying off teachers under this section, the District will follow the procedures and timelines of Wis. Stat. sec. 118.22.

Class III Employees

When it becomes necessary to lay off support staff, in whole or in part, for reasons other than performance or conduct, the Board will make the reduction. Consideration of qualifications and the needs of the school district will be used. A Class III employee may be laid off upon ten (10) days' notice.

JOB ASSIGNMENTS

Class and supervisory assignments shall be made to Class II employees based on areas of certification and needs of the District. Generally, assignments will be made on an annual basis but assignments may be modified in the event of emergency. Full time Class II employees shall usually be assigned 6 classes and one supervisory assignment. The District, however, reserves the right to eliminate the supervisory assignment and assign an additional class period due to changes in the needs of the district. Preparation time will be scheduled for all Class II employees. Class III employees will receive specific assignments upon hire and thereafter as needed. In the event of a resignation, retirement or other vacancy, the District may require employees to transfer on a more frequent basis.

The employee's file will be made available upon request by the employee; but such access shall be under close supervision to assure that the file is not altered. Unless specifically requested, Class IV employees would be exempt from this requirement.

Misconduct

The disciplinary procedure for non-compliance with work rules, state laws or Board policy generally shall be as follows. However, depending on the severity of the offense, nothing in this

- (a) First offense--verbal reprimand
- (b) Second offense--written reprimand
- (c) Third offense--suspension
- (d) Fourth offense—termination or nonrenewal

Discipline shall not be imposed arbitrarily or capriciously.

GRIEVANCE PROCEDURE

Grievances Related to Termination, Discipline or Workplace Safety

If the employee is not satisfied with the response, the employee shall file his or her grievance on the form provided by the District with the District Administrator within five (5) days of the date the supervisor's response was sent or given or, if no written response is received from the employee's immediate supervisor, within fifteen (15) days of the date of the filing of the concern with the immediate supervisor.

The District Administrator shall either refer the grievance to the grievant's building principal or other administrative supervisor (e.g., the Business Manager, HR Director, etc...) within three (3) business days of receipt of the grievance or shall, in his or her discretion, personally handle the matter. The administrative supervisor or District Administrator shall meet with the grievant and/or the grievant's designated representative within ten (10) days after receiving the written

grievance. The administrative supervisor or District Administrator shall respond in writing to the written grievance within ten (10) days of the meeting or, if the administrative supervisor or District Administrator determines that further investigation is warranted, at a later date as determined by the administrative supervisor or District Administrator but in no event later than sixty (60) days after receiving the written grievance. District Administrator

Grievances by the District Administrator shall be filed with the Chair of the School Board's Staff and Employee Committee and the Committee shall exercise the same functions as are exercised by administrative supervisors or the District Administrator for grievances filed by other employees.

The same timelines and procedures shall apply except that, if the District Administrator is not satisfied with the Committee's written response, the request for a hearing shall be filed with the Chair.

Consolidation of Grievances

In the event more than one employee files a grievance related to the same facts or subject matter, the grievances may be consolidated.

Hearings

Within fifteen (15) days of the District Administrator or Chair receiving the hearing request or the next regular Board meeting, whichever is later, the School Board shall appoint an impartial hearing examiner to hear the grievance. The impartial hearing officer shall be an attorney licensed to practice law in the State of Wisconsin or other individual with experience and expertise in public sector labor relations.

Upon appointment, the hearing officer shall set a hearing date, and inform both the employee and the District Administrator of the hearing date. If the District Administrator is the grievant, the hearing officer shall notify the Chair of the Personnel Committee. The hearing shall be held within thirty (30) days after appointment of the hearing officer. In the event of a bifurcated hearing, the first hearing shall be held within thirty (30) days after appointment of the hearing officer.

The hearing officer shall conduct the hearing informally and impartially in such manner as he or she deems best calculated to ascertain the correctness of the allegations of the grievance. The District may request bifurcation of the grievance if timeliness or other issues not relating to the merits of the case are in question. A record shall be made of the hearing in such form as the hearing officer determines is appropriate but shall, at a minimum, include an audiotape of the hearing and preservation of all written materials presented at the hearing.

The hearing officer will abide by the following guidelines:

1. Rules of evidence and procedure as applicable in civil and criminal cases do not apply. (Example: A second party may share what they heard, which could be considered “hearsay” in other legal proceedings.)
2. The scope of authority is limited to the issue in question of the specific case. A broad decision that would bring into play other policies and issues is not within the authority of the hearing officer.
3. The grievant shall have the burden of proof on all issues.

The hearing officer shall have the authority, after having heard whatever evidence he or she deems sufficient, to act as follows:

- a. Uphold the termination of the employee.
- b. Uphold the discipline imposed on the employee.
- c. Reduce the original penalty.
- d. Dismiss the grievance.
- e. In work safety cases, if the hearing officer determines that a safety hazard exists, the hearing officer may enter such orders as are reasonably necessary to remedy the safety hazard or, if the hearing officer determines that no safety hazard exists, may dismiss the grievance.
- f. In discipline and termination cases, if the hearing officer determines, based on an arbitrary and capricious standard, that the evidence does not support the disciplinary action taken or the termination, the employee may be reinstated, and the hearing officer may order that the employee be paid and/or reimbursed for all or part of his or her salary and benefits, may order that a letter, indicating that the disciplinary action was reversed and that the specific charge should not be considered in any future actions, be placed in the employee’s personnel file, or may order that the employee’s personnel file be expunged of all material relating to the discharge or discipline or any combination of the foregoing.
- g. The hearing officer’s decision shall be in writing and shall be served by first class mail upon the grievant and the District Administrator or Chair and representatives for the grievant and District, if any.

The grievant or, on behalf of the District, the District Administrator or Chair of the Personnel Committee, may appeal the hearing officer's decision to the School Board. Any appeal of the hearing officer's decision shall be made in writing on a form or forms provided by the District within fifteen (15) days of the date of the hearing officer's written decision.

The Board shall review the record of the hearing within thirty (30) days of the receipt of the appeal and issue a written decision within ten (10) days thereafter. The Board shall have the right to affirm, modify or overrule the hearing officer's decision in whole or in part or it may remand the grievance to the hearing officer with directives as determined to be appropriate by the Board. The Board shall not hold any hearing or accept any additional information or evidence on the grievance but shall base its decision exclusively on the record of the hearing. The Board may, in its exclusive discretion, permit written arguments to be filed by or on behalf of the grievant or District Administrator or Chair. If written arguments are permitted, the appeal timeline for review of the record shall be extended from thirty (30) to ninety (90) days.

The decision shall be served by first class mail upon the employee, the District Administrator or Chair, and their representatives, if any.

Grievances Unrelated to Termination, Discipline or Workplace Safety

The statement should be given to the District Administrator.

The District Administrator shall meet with the employee as soon as reasonably possible and a reasonable effort to resolve the grievance should be made. A written reply to the grievance shall be made within five (5) days following the date of the meeting.

STEP 3: If the District Administrator's decision does not resolve the employee's grievance, the employee may, within five (5) days, present his/her grievance in writing to the Board, which may arrange to meet with the employee and his/her representative, if any, to ascertain the facts surrounding the dispute and shall reply in writing to the employee within fifteen (15) days thereafter. Timeliness: Days noted above shall be normal work days excluding Saturdays, Sundays, and holidays. The above noted timeliness may be extended by mutual agreement of both parties. Failure by an employee to process a grievance in a timely manner at any step shall result in dismissal of the grievance. Failure by the District to respond to a grievance in the allotted time period shall allow the employee to proceed to the next step in the procedure.

EXPENSE ALLOWANCES

Expense allowances will be granted as described in Board Policy 671.2.

WORKER'S COMPENSATION

WORK RULES

These work rules constitute the general work rules applicable to employees of the District. The application and implementation of these rules may vary between individuals or work units due to the nature of the work or as specific circumstances require. Likewise, these work rules do not constitute the entire list of potential actions or violations for which employees may be disciplined. State and federal statutes and regulations also govern the workplace. Violations of these rules will also result in appropriate disciplinary action.

Incidents, Accidents and Injuries

Any employee involved in an incident, accident or injury, including property-damage only accidents or incidents, irrespective of fault, during working hours or while using any District-owned machinery, vehicle or other property, shall report the incident, accident or injury to the District Office within 24 hours (excluding weekends and holidays) of the occurrence of the incident, accident or injury.

Acceptable Use Policy

Purpose

Employees are expected to use their computers in a professional and business-like manner. While the District encourages and supports employee use of computer systems as a means of

improving productivity, certain restrictions are necessary to avoid improprieties, ensure that established standards are met, and maintain appropriate security of computerized data.

E-Mail

E-Mail (electronic mail) plays an increasingly significant role in our communications. Along with the benefits of e-mail, come increasing risks and responsibilities.

All other District policies apply to e-mail, even if e-mail is not specifically mentioned in those policies. Examples include the data retention policy as well as various sections of the personnel policy.

Non-faculty event workers will be paid the per event rate or minimum wage, whichever is greater, and must submit time sheets. Duties may include but are not limited to selling tickets, other related duties for athletic events, concert supervision, dance chaperones, and bus supervision. The opportunity to work events is open to all River Ridge School District employees. Payment for other extra duties shall be paid to the faculty member within thirty (30) days of the duty.

Bus chaperones will be paid \$7.25 per hour, with a \$20.00 minimum per trip.

The school shall attempt to hire substitutes for absent teachers regardless of the field. Ten dollars (\$10.00) per period will be paid to teachers for any class the teachers take during their designated preparation period or regular class period.

ADDITIONAL COMPENSATION FOR RIVER RIDGE TEACHERS:

A PDP completion, to qualify for additional compensation, must be a 5-year PDP and will be valued as 6 graduate level credits.

Credits submitted to qualify for additional compensation will be required to be graduate level credits.

River Ridge School District will increase the salary for teachers who have obtained 12 additional graduate credits; completed 2 PDPs; or completed a combination of one PDP plus 6 graduate level credits and have submitted their documentation to the office for approval by September 1 or February 1 each year. After approval, the increase will be added to the teacher's contract salary on the September 15 or February 15 payroll. This salary increase remains in the teacher's total salary moving forward into subsequent years.

Credits used to complete or which are embedded in a PDP cannot be used to qualify for additional credit compensation (i.e., credits may not be counted for more than one purpose).

If the teacher jumps more than one additional salary level, they will be paid for both advancements. Example would be a teacher that has a BA then completes work to qualify for a BA + 24 will see an increase of \$1,900.

Teachers shall receive additional salary above the salary already assigned in the school year as follows:

BA + 12	\$1,000/teacher
BA + 24	\$900/teacher
BA + 36	\$900/teacher
MA (Master Teacher)	\$1,000/teacher
MA + 12	\$1,000/teacher
