HAPPY NEW YEAR

Music in The School

For the safety and health of our students and families, we had to cancel the Christmas program and concerts. The River Ridge Music Department did record a short video of music performed by our talented students. The video can be found on the River Ridge home page clicking the Read More tab under Happy Holidays.

Thank you, Ellen Martin and Aaron Cooley for all you do to bring the wonderful sounds of music to our school buildings. Thank you to Tina Dilley for recording and editing the music video.

We Wish You a Happy,

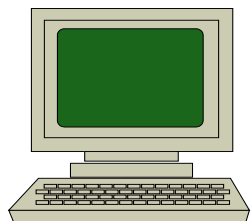

Healthy, and Safe New Year

Mission Statement

The River Ridge School District will strive to provide a safe, challenging environment for each individual student by promoting excellent staff development, encouraging meaningful parent involvement, and earning strong community support through honesty, integrity, and open communication.

Title I Gingerbread House Event

by Deb Trautsch and Jenn Mohn

River Ridge Title I held their Gingerbread House Building Night virtually this year on Wednesday, December 16. There were 65 families that participated in the event. Title I staff put together the kits and sent them home with the students. The families zoomed with a staff member that night as they shared their gingerbread houses.

FEDERAL CIVIL RIGHTS POLICY STATEMENT

The River Ridge School District does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

District Administrator
P.O. Box 78, 11165 County Highway P
Patch Grove, WI 53817
Telephone No. 608-994-2715

For further information on notice of non-discrimination, visit <https://ocracas.ed.gov/contact-ocr> for the address and phone number of the office that serves your area, or call 1-800-421-3481.

Decorated Hallways

The Middle School Student Council members took time during the Thanksgiving break to decorate the hallways of the middle school building. They decorated a tree and placed elf cut outs to each student's locker. The building has a festive look for the students and staff to enjoy for the holiday season. The tree was a perfect place for a photo. Happy Holidays.

Middle School Student Council Team Challenge Food Drive

By: Ren Bowen, Student Council Treasurer

Starting in early November, the Student Council started a food drive. The students voted with their items between two teams: the Brewers and the Cubs. We gave the students until December 4 to bring in items. They put their items by the team they like better. The kids really enjoyed it, and we hope to do it again. The Brewers won by a landslide! We were able to donate over 300 items to the local food pantry in Patch Grove! Thanks to all who donated!

High School Semester Exams Cancelled

The 1st semester will end Friday, January 15. The high school semester exams have been cancelled to give the students time to complete the first semester projects and assignments.

The 2nd semester will begin on Tuesday, January 19. More information will be sent out on how the rest of the school year will continue.

Don't Forget!

No School - January 18

Sixth Grade O.E.E.P. at Wyalusing

by Kris Petrowitz

This year's Outdoor Environment Education Program looked a bit different than years past for our sixth grade students. The Wyalusing Outdoor Environmental Education Program was September 24 and 25. For the safety and health of the students, there was no overnight stay. Mr. Sperle and Mrs. Petrowitz organized the activities for the week. Other teachers that helped at camp include, Ms. Tricia Petrowitz, Mrs. Wendy Scherer, Mr. Evan Kleinow and Mr. Andrew Redman.

We began our first day with a 1.5 mile hike to Picture Rock cave. The long decent led to a beautiful result as the students had a chance to fill their water bottles from a small spring fed waterfall. After a steep hike back to camp, the hungry campers ate their packed

lunches at the pavilion campground. The beautiful afternoon allowed the students and counselors to partake in outdoor stations. The campers learned to identify animal tracks, practiced archery, casted a fishing pole, learned a "new" meaning for social distancing, hunt-

ed for animal clues in the woods, and practiced skits and chants. On the final day, the campers participated in a 3.5 mile hike. This Heritage Hike included many stops along the way. The students saw many Indian mounds and learned the history behind the existence of the mounds in the park. They stood at Point Lookout and saw where the Wisconsin and Mississippi Rivers converge. A steep climb into a cave led to some curiosity of a buried treasure that may still

exist in the park. Together, the campers and counselors discovered many interesting and unique things about their environment, nature and each other throughout their stay at Wyalusing. The students used their knowledge from the novel, Hatchet,

which they read in Mrs. Scherer's class, to relate many of the character's experiences to their own camp experiences. They also shared their Wyalusing memories through a creative writing unit in English with the use of pictures and their camp journals. Our River Ridge students are so fortunate to have this beautiful park in their own back yard. Although this year was very different from other years, the students made the most of the two days at camp. The weather was perfect, and the students' enthusiasm never wavered. Nice job campers!

Busy Little Elves in Middle School Student Council Lead Christmas Activities

by Madeline Scharmer, Student Council Communications Director

December was a busy month for the middle schoolers of River Ridge; they were playing a BIG, lifesize game of scrabble; they were making winter door decorations, and they helped the student council with making Christmas cards for the staff. The scrabble game was very fun. Each class had to come up with a word that had to do with the theme, “Movies”, and by the end of two rounds whoever had the most points won. Mr. Breuer’s 7th-grade class ended up winning with over two hundred points. Door Decorating was a

fun thing that everyone enjoyed. Each class came up with a fun winter design and saying and put it up on their door. You could tell by the effort the classes put into their door that they really enjoyed doing it. Lastly, the middle school student council came up with the idea to make Christmas cards and get cookies for all of the staff. It was cute to see all the cards that were made for them. The staff really loved the treat. Happy Holidays from the RRMS Student Council!

Resources

While Holidays can be a time of joy and good cheer, they can also be a time when feelings of sadness and stress can arise. Should a loved one need extra support to deal with emotional/behavioral health concerns, there are community resources to help.

Fuel Up to Play 60

by Shane Sperle

In early December, some 8th grade members of the River Ridge Fuel Up To Play 60 Team used their blender bike to make some smoothie samples for middle school students. Some of the smoothie samples included Strawberry Banana, Triple Berry Blend, and Pineapple. Members had to pedal the bike to get the blender going, which was a fun way to make the smoothies for the team members.

4K Holiday Cheer

The 4K students are ready for the Holiday Season.

High School Student Council Celebrate the Season

by Mickey Quick

Many groups at River Ridge have been busy this season trying to bring some joy and happiness to those in our community. We know that a lot has changed but we also recognize that we have a lot to be grateful for. The River Ridge High School Student Council has decided to bring cheer both indoors and

outdoors this year by decorating holidays trees inside and out. The outdoor trees were an adventure of its own when we got to have an outing to pick out gorgeous trees from Cook's Woods and saw them down

ourselves. The elementary students also helped us with the final touches by making ornaments that are nature friendly for the birds to eat.

Another project they have started this year with the help of the River Ridge FFA was to start a Holiday Cookie project.

They worked together to secure funding from the following sponsors: Bagley Royal Neighbors, Clare Bank, FFA Alumni, Leo Club,

Marine Credit Union, Peoples State Bank, Royal Bank, River Ridge Active Parents (RRAP), the Safe and Stable Family Grant and Walmart. The two student groups also had volunteers that worked with the Bagley Royal Neighbors to package holiday cookie kits (cookies made by Ma's Bakery) to send home with every family in the 4k-8 River Ridge School. These kits contained gingerbread cookies along with all the toppings to decorate them to their liking.

Other activities that the student council have planned for the high school students are competing in a door decorating contest, gingerbread house assembly contest and Kahoot trivia to find out their teacher's favorite holiday things. It has been a busy month for us but we are hoping that what we have done has brought some joy to others. Happy Holidays from the River Ridge High School Student Council.

Rhyming Time with 4K

by Megan Copsey

Rudolph, Rudolph, what a funny fellow!
Santa will be lost if your nose is yellow.

Rudolph, Rudolph, can you set the scene?
Santa won't recognize you if your nose is green!

Rudolph, Rudolph, can you give a wink?
Santa won't recognize you if your nose is pink!

Rudolph, Rudolph, time to find the sled.
Santa knows you're ready since your nose is red!

Emergency School Closing Information

Although we make every effort to keep pupils in school for the full session once school has started, certain circumstances may require our school schedules being adjusted. During the school year when it becomes necessary to close the school early due to inclement weather or an emergency, it is imperative that you make previous arrangements with your children in the event that they are to go to a neighbor's or relative's house or if someone else will be picking them up at school. **Please plan ahead** and be sure you discuss the plan thoroughly with your child. If there is a change in the procedure during the school year, please make sure your child is aware of the change.

You may apply for **open enrollment** from **February 1-April 30, 2021**

What is Public School Open Enrollment?

The inter-district public school open enrollment program allows parents to apply for their children to attend public school in a school district other than the one in which they reside.

Who may participate in open enrollment?

Any Wisconsin resident in 4K to grade 12 may apply to attend a nonresident school district under the open enrollment program. However, a child may transfer to a nonresident school district for early childhood education or 4K only if the child's resident school district offers the same type of program and only if the child is eligible for that program in the resident school district.

How and when may parents apply?

The open enrollment application period for the 2021-22 school year is from February 1-April 30, 2021. The application period closes at 4:00 p.m. on April 30, 2021. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school in the nonresident school district every day that school is in session. Other important things to know about applying to virtual charter schools:

*A virtual charter school is not homeschooling. Pupils attending

virtual charter schools are public school pupils.

* You must know the nonresident school district in which the virtual charter school is located. If you have any questions about this, call the virtual charter school.

* You must know your resident school district in order to apply.

* A list of virtual charter schools may be found at <https://dpi.wi.gov/sms/charter-schools/virtual-charter-schools>.

Can an application be rejected?

Yes. Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

Yes, in limited circumstances. A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Can parents appeal if an application is denied?

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

*The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.

*A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.

Open Enrollment Continues

*A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school. If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district. School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.
