The Cross Country team had an outstanding showing at the Ridge and Valley Conference Championship meet, with several runners earning top honors.

McKenzie Taylor secured a Second-Team All-Conference award for her impressive performance, while Leah Patterson was named Ridge and Valley Conference Runner of the Year for the second year in a row, earning a spot on the First-Team All-Conference. Luke Patterson also raced to a top finish, earning his place on the First-Team All-Conference as well. Mason Pecinovsky had a strong performance, earning a Second-Team All-Conference award for his efforts.

In addition to these athletic achievements, seniors Colton Moris and Lydia Mason were honored for their exemplary sportsmanship, being named to the Conference All-Sportsmanship Team.

The team's hard work and dedication have truly paid off, with many exciting achievements during the 2024 Cross Country season!

Football Team Qualifies for Playoffs

The Timberwolves punched their playoff ticket with a 5-2 season. The team defeated Caston (55-14) in the first round playoffs to advance to the second round playoffs at Bangor on Friday, November 1. Good luck to our football team.

FFA News

by Sierra Hanley

On September 12, the River Ridge FFA held their Annual River Ridge Livestock and Dairy Judging Contest. They hosted nineteen schools, with a total of around 250 individuals that competed between the two contests. A special thanks to everyone who helped make the contest a success, and good job to everyone who competed!

On September 25, the soils team traveled to Green County Soils in Monroe to compete. The team placed 9th. Congratulations to Cameron Wehrle who placed 5th individually. On September 26 the FFA did their annual roadside cleanup on Highway 18. Thanks to all who helped make that a success as well!

The Soils Team traveled to Blackhawk Technical College in Monroe on October 9 for the Wisconsin State Soils Contest. They placed 7th out of 25 teams, and the team consisted of Cameron Wehrle, Danica Hampton, Grace Callahan, and Collin Raisbeck. Ava Edge competed as an individual. A special congratulations to Cameron who placed 7th overall individually! Great job!

Spanish Students Plan a Fire Escape Plan

by: Lindsey Ariss

In Spanish 2, students took their knowledge of "rooms of the house" vocabulary to a new level by designing detailed fire escape plans—in Spanish! This hands-on project allowed students to practice essential vocabulary while also learning important fire safety skills. The activity was part of Fire Prevention Week, adding a real-world application to their studies and encouraging them to think about safety in their own homes, all while engaging with Spanish language learning in a practical way.

Fire Prevention Week

The elementary students had a special visitor from the Bloomington Fire Department for Fire Prevention Week. Thank you Larry Gates and Adam Guthrie for talking to the class about Fire Safety and letting the students check out the fire gear and fire truck.

River Ridge Elementary Autumn Field Trip by Tricia Kuenster

On Thursday, October 17, students in 4k-4th grade loaded up five buses and headed off to Enchanted Valley Acres! Everyone enjoyed many fun fall activities, including an obstacle course, a wagon ride, a huge hill-sized slide, and a corn maze. The kids also loved the jumping pads, the petting zoo, riding large tricycles, and playing various farm-themed games. Two favorite activities that used team - work, were pulling tractors and hay bales with a rope to see how much the kids could lift all together! One tractor weighed over 2,000 pounds!! There was so much to do, that we couldn't even get to it all! It was a beautiful day and the kids and teachers had a blast! Thank you to Enchanted Valley Acres for a great day!

Senior Class Trip to American Players Theatre by Tara Drone

The senior class recently visited the renowned American Players Theatre in Spring Green, Wisconsin. The students were treated to a performance of Shakespeare's comedy, *Much Ado About Nothing*, which they had been studying in class. Following the trip, we were fortunate to welcome some of the talented actors from the theater to our school. These professionals led engaging, themed workshops for both senior and junior English classes, offering valuable insights into Shakespearean performance, universal themes explored in the play, and careers in theater.

Title I Information Night/Story Hour

by Karen Jerardeau

We had our Title 1 Information Night/ Story Hour on October 1. Students listened to stories that were read by our own River Ridge athletes. Parents listened to a brief presentation on Title 1 in our school by Rita Breuer and Karen Jeardeau . Thank you to our readers Maya Drone, Reghan Zinkle, Andrew Nies, Carter Copsey, Mason Pecinovsky and Lydia Mason. Everyone enjoyed cookies and milk afterwards.

- We're excited for a great season ahead!

Donation to the School

During August and September, Collision Specialist of Fennimore and Livingston ran a Back to School Fundraiser to help raise funds for area schools. Several of their customers chose River Ridge School to support. On behalf of the entire staff, they presented Mr. Bill Hannah with a check to support programming for students.

This year Collision Specialist raised \$610 for local schools serving 15 different districts. The company feels that the communities are built on our schools and look forward to this annual fundraiser. Since 2012 they have donated over \$57,000 to our area schools.

November 5, 3:30 to 7:30 PM

November 7, 3:30 to 7:30 PM

Parent-Teacher Conferences for 4K - 4th grade are scheduled and times were sent home with your child. The 5th through 12th grade teachers will take parents as they come. There is no set time for those conferences. Your child's teacher will be available during the times above. Please have all your questions prepared before arriving at conferences to help keep the conferences to a 15 minute time limit. Also, teachers of the specials (art, music, phy. ed., etc.) will be available if you would like to visit with them. Mr. Bill Hannah, Elementary Principal and Mr. Wade Winkers Middle/High School Dean of Students will be available during Parent-Teacher Conferences. If you have any questions please call the school.

3rd Grade Scarecrow Ridge

by Tricia Kuenster

On Friday, October 4, the 3rd grade class worked with their parents and families to create scarecrows in front of the school! They had a lot of fun decorating and using teamwork! Thanks to all of our family helpers and to a few special families for donating the hay bales!

NHS Blood Drive

The recent blood drive held at River Ridge High School was a success and we want to extend our thanks to everyone who participated. Thanks to your generosity, we collected 19 pints of blood, which will help save countless lives in our local communities. Once single donation can be used for 3 patients.

The River Ridge NHS would like to express our gratitude to Impact Life whose support made this event possible. Impact Life provides blood products and services to more than 120 hospitals in Illinois, Iowa, Missouri, and Wisconsin.

Thank you once again for your support and for making a positive impact in the lives of others.

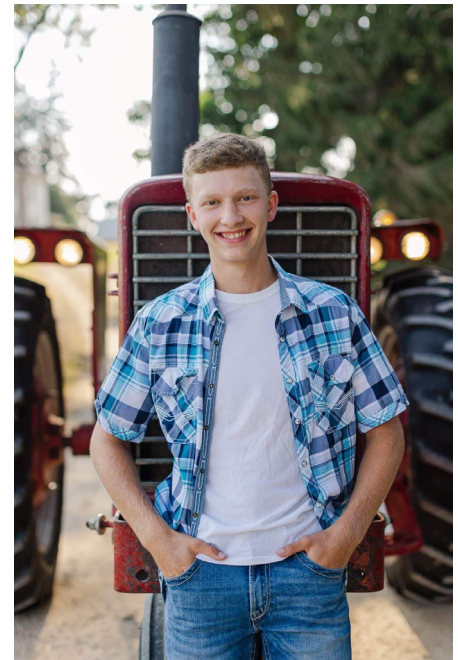

Financial Aid Process

The window to work on and submit the FAFSA (Free Application for Federal Student Aid) form is December 1-February 1.

For the 2025-26 FAFSA, students will report income information from two years prior, which in this case is 2023 income information: two tax years before the beginning of the school year.

This year's River Ridge Financial Aid will be on November 7, 2024 at 7:00 PM in the middle school gym. The financial aid advisor from Southwest Technical College will help you through the maze of the application process.

DAR Recipient

Luke Patterson, son of Dale and Janet Patterson of Glen Haven, was selected as River Ridge's DAR Good Citizenship recipient. This program and scholarship contest is intended to encourage and reward the qualities of good citizenship, dependability, service, leadership, and patriotism to an outstanding senior in high school. Each state winner receives \$250 and if they proceed to the national level, could win a scholarship up to \$3000.

Luke is involved in FFA, National Honor Society, Cross Country, Basketball & Track. He also holds the following leadership positions: FFA President, National Honor Society President, Captain of the Cross Country & Track teams. His future goals are to attend UW-Platteville and pursue a degree in Animal Science.

Juniors Attend Education Fair

River Ridge juniors attended the Wisconsin Education Fair at UW-Platteville on October 4, 2024. They had the opportunity to talk with representatives from two- or four-year colleges followed by a campus tour and information session.

Our tour guide was Jonathan Hamann, a River Ridge alumnus. It was so fun to have him show us around campus and share his experiences as a college student. It was a great opportunity for the juniors to gather information and experience the dynamics of a college visit.

Recycling Service Project

The River Ridge National Honor Society and Student Council will once again be collecting cans in our recycling bin located in River Ridge parking lot throughout the school year. We want to thank everyone who donates their cans to our cause. Our organizations use these funds for a variety of things throughout the year that we wouldn't be able to do without your donations.

Earth day is April 22, 2025, so start saving cans for our annual "Battle of the Cans" between the K4-4th grade elementary classrooms.

Hurricane Donations

In the wake of recent devastating hurricanes that have impacted countless families, Robin Chamberlain Sweeney, Executive Director of the In-Health Community Wellness free clinic in Boscobel organized a Southwest Wisconsin drive for victims in North Carolina and Tennessee. Over the past several years, Robin and her sister have been on several missions for disaster relief organizations.

River Ridge's NHS and Student Council joined her mission to help collect items and provide a drop-off location for this cause. The donation drive kicked off just last week and within a short amount of time, we collected 20 boxes of food, clothing, water, hygiene kits, blankets and children's clothes.

Thank you to the community members who dropped off donation items and thank you to our school organizations who donated money. River Ridge's FBLA, NHS, Science Club and Student Council donated \$300. The middle school students held a "money war" with donation jars. The sixth grade had the largest donation of \$225 and middle school overall donation was \$439.00.

Robin gave an inspiring speech to our student leaders about giving back and the importance of volunteering. We appreciated her taking the time to share her journey.

Substitutes Needed

We are seeking licensed substitute teachers and substitute support staff, including aides, cooks, secretarial, and custodial staff. Applications are available at www.rrsd.k12.wi.us or at the District Office

November 2024 Referendum

The River Ridge School District is placing an operational referendum on the ballot for Tuesday, November 5, 2024. The referendum question asks voter permission to exceed the revenue limit. The revenue limit is a State law which limits the amount of revenue the School District receives to pay operating expenses.

The School District's last operational referendum held April 2, 2024 was not approved by voters. The District began budget preparations for the 2024-2025 school year which started July 1, 2024 without the additional operating revenue requested in the April referendum. The School Board made several difficult operating budget reductions for the 2024-2025 school year including:

- Staff and Program Reductions:
 - After Hours
 - High School Science
 - Library, 4K, Tech Ed
- Intra and Extra Curricular Budget Reductions
- General Supplies Reductions
- Technology Budget Reductions
- No Staff Salary Increases
- No Contributions to District Facilities Building and Maintenance Fund

The School District has experienced significant inflationary increases to its operating expenses over the past few years, which have been primarily supported by Federal grants. Those grants are no longer available to the District beginning with the 2024-2025 budget and State revenue limit laws require the School District to ask voters for permission to generate additional revenue through a referendum to exceed the revenue limit.

The November 2024 operational referendum asks voters permission to exceed the revenue limit to pay operating expenses beginning with next year's budget in the amount of \$1,100,000 for the next three budget years beginning with the current 2024-2025 school year and ending with the 2026-2027 school year ("non-recurring").

Approval of the November 2024 Referendum would allow the District to restore some of the staffing and program reductions, offer competitive compensation and benefit plans, provide technology upgrades, contribute to the Facilities Building and Maintenance Fund to lessen the need for a future facilities referendum, and to maintain fiscally responsible budgeting.

Sample Ballot Language

Shall the River Ridge School District, Grant County, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,100,000 per year for three years, beginning with the 2024-2025 school year and ending with the 2026-2027 school year, for non-recurring purposes consisting of operational costs to maintain instructional programs, staffing, technology and facilities management?

November 2024 Referendum Maintains & Restores District Operations

- Inflationary Impact: operating budget: cost-of living increases, insurance, transportation, utilities, food service, special education
- Staffing: Retain and recruit staff to maintain current levels and provide excellent educational opportunities for all students.
- Programs and services: meet the behavioral, academic, and mental health needs of our growing student needs.
- All day/everyday 4K and Early Childhood programming
- District-wide course offerings
- Student Options: online/specialty courses, dual enrollment, start college now, and early college credit programming opportunities.
- All current Intra/Extra-curricular options for students.
- Technology: maintain students' 1:1 technology platform; replace staff's dated technology resources
- Invest in the Facilities Building and Maintenance fund.
- A fiscally responsible General Fund budget.

Estimated Tax Impact

The School District has received all final information to determine the tax levy and tax rate for the 2024-2025 budget year.

The tax rate impact for the November 2024 referendum is calculated by dividing \$1,100,000 into property values. The calculation below is shown based on 2024 property values.

The tax rate impact for the November 2024 referendum is **\$2.60 per \$1,000 or \$260 per \$100,000** property value. The tax impact begins with the December 2024 tax bill through the December 2026 tax bill and expires thereafter.

The District would receive state aid on the referendum amount in the following year. Based on the current aid formula, the State would share in approximately 30% of the referendum amount, which would reduce the tax rate to **\$1.82 per \$1,000 or \$182 per \$100,00** property value beginning with the December 2025 tax bill.

District Options if November 2024 Referendum Does Not Pass

School Board options include:

- Hold another referendum in 2025
- Prioritize operating budget reductions – programs and staffing
- Consider larger class sizes
- Impact student academic opportunities - reduce class offerings
- Manage Intra/Extra-curricular options for students
- Unable to offer competitive staff compensation and benefit plans – challenges ability to retain and recruit staff
- Cannot Contribute to Facilities Building and Maintenance Fund
- Defer technology purchases and maintenance needs.
- Challenges District's ability to sustain fiscally responsible General Fund budgeting.
- Combination of all of the above
