Read Across America Week

Read Across America Week was celebrated in the elementary building February 27 through March 3. Reading is essential for student’s academic growth. National Education Association (NEA) established March 2 as National Read Across America Day. Schools around the nation come together to read books and celebrate the joy of reading.

The elementary students and staff celebrated with week long activities, there were dress up days, green eggs served, door decorations contest (Doors for Donuts), and guest readers. The Doors for Donuts contest, each classroom doors had to have a reading theme design. On March 2, National Read Across America Day, students read stories to other students in different grade levels. The elementary school assembly on Friday, March 3, the Doors for Donuts winner was announced and along with the dress up winners. Each student that won a dress up day award received a book and a prize. Mrs. Achenbach’s 2nd grade class won the Doors for Donuts! They celebrated with donuts from Ma’s Bakery. As always, the elementary students had a lot of fun!

Middle School Spirit Week

by Katie Dressler

Spirit Week, a longtime tradition, took place the week of March 13-17 in our middle school. Students participated in a variety of dress-up days, cheers, minute-to-win-it games, and a student verses staff basketball game. Throughout the week, students battled against each other to earn points for their grades, hoping to earn the 2023 spirit stick. The week ended with lip-syncs put on by 5th-8th grade students, with Ava Dilley and Charlie Copsey (5th graders) taking home the 1st-place prize. For a third year in a row, the class of 2028 (this year's 7th graders) won the spirit stick! A job well done to the Student Council members for putting the festivities on and all the students who participated!

Sixth Graders Celebrate Pi (Pie) Day

The 6th grade Math students researched interesting facts about Pi after using it to figure the area and circumference of circles. They shared their knowledge of Pi with relatives while enjoying pie and drinks. River Ridge Pi Day was celebrated on 3-14 at 1:59:26. Thank you to all who donated the delicious pies and to all who attended. We had a great time celebrating Math!

Earth Day Can Cage Competition

LET'S CRUSH IT!

Aluminum Can Recycling Competition

4K-4th grade Students, Parents, and Guardians:

Earth Day is just around the corner and the National Honors Society and Student Council will once again host their annual can drive for grades 4K-4th grade.

We will be collecting cans at the can cage near the greenhouse in the high school parking lot on **April 25, 26, and 27, 2023 - 7:30 and 8:00 AM.** Please drop off your cans and tell us what grade your child is in so that we can give them credit for their donation.

Each class (4K-4th grade) will be competing against each other and the class that has the most weight in cans will be receiving coupons for Culver's Kid's Meals. For all their hard work and participation in the can drive, the entire elementary will be rewarded with custard.

The money collected from the can drive is used by various organizations here at the school district. We hope that you will help us follow the three R's and celebrate Earth Day by Reducing, Recycling, and Reusing.

World Down Syndrome Day

Tuesday, March 21, was World Down Syndrome Day! World Down Syndrome Day is marked each year on March 21, beginning in 2006. The 21st day of March was selected to signify the uniqueness of the triplication of the 21st chromosome which causes Down syndrome. Every year on March 21, World Down Syndrome Day is observed to create awareness about Down syndrome. The River Ridge Staff and students wore “blue” or “yellow” clothing, crazy socks and “Inclusion Matters” to recognize the day.

Greenhouse Is In Full Bloom

It may be cold outside but it is warm and toasty in the River Ridge FFA Greenhouse! All the plants are grown in the greenhouse by our hard working and talented students.

2023-2024 Full-Time Open Enrollment Regular Application Period for Wisconsin Public Schools

INFORMATION FOR PARENTS

YOU MAY APPLY FOR OPEN ENROLLMENT FROM FEBRUARY 6 – APRIL 28, 2023.

What is Public School Open Enrollment?

Wisconsin's public school open enrollment program allows parents to apply for their children to attend a school district other than the one in which they live. Applications may be submitted to up to three nonresident school districts if the pupil wishes to attend a brick and mortar school. There are no limitations to the number of open enrollment applications that can be submitted to a virtual charter school.

How and when may parents apply?

The open enrollment regular application period for the 2023-24 school year is from February 6-April 28, 2023. The application period closes at 4:00 p.m. on April 28, 2023. Late applications will not be accepted for any reason.

Parents may apply online at <https://dpi.wi.gov/oe>.

Can I apply to a virtual charter school under open enrollment?

A pupil may only open enroll to an online/virtual school if: (1) the school has been created as a virtual charter school that meets the requirements of the charter school law [Wis. Stats. 118.40 (8)] or (2) the pupil is required to physically attend school on a regular basis in a school located in the nonresident school district on the days that school is in session. Other important things to know about applying to virtual charter schools:

- A virtual charter school is not homeschooling. Pupils attending virtual charter schools are public school pupils.
- You must know the nonresident school district in which the virtual charter school is located.
- You must know your resident school district to apply.
- A list of virtual charter schools may be found at <https://dpi.wi.gov/parental-education-options/charter-schools/virtual-charter-schools>.

Can parents appeal if an application is denied?

Parents whose applications are denied may appeal to the DPI within 30 days of the denial. State law requires the DPI to uphold the school district's decision unless DPI finds that the decision was arbitrary or unreasonable. The DPI's decision may be appealed to circuit court.

Who may participate in open enrollment?

Pupils in kindergarten to grade 12 may apply to participate in open enrollment.

Open enrollment for prekindergarten, four-year-old kindergarten and early childhood education is limited. Parents should call their resident school districts to find out if their preschool-aged children qualify for open enrollment.

Can an application be rejected?

Nonresident school districts may deny an application if regular or special education space is not available for the pupil; special education or related services are not available; or if the pupil has been referred for a special education evaluation but has not yet been evaluated. Nonresident school districts may also deny an application if the pupil has been expelled during the current or preceding two years for certain violent conduct or if the pupil was habitually truant from the nonresident school district during any semester in the current or previous school year.

If there are more applications than spaces, pupils must be selected randomly, after giving preference to pupils already attending school in the nonresident school district and siblings of currently-attending pupils.

Some school districts establish waiting lists to fill unused spaces, but others do not.

Can a resident district prevent a pupil from leaving?

A resident district can deny a pupil's application for an invalid application (early or late application or missing information), ineligibility due to age (too young or too old), or if the resident district does not offer the same type of prekindergarten, four-year-old kindergarten, or early childhood program as the nonresident district or the pupil is not eligible for the program in the resident district. These are also reasons that a nonresident district can deny an application.

Must pupils reapply every year?

Once a pupil is accepted into a nonresident school district, the pupil may continue to attend that district without reapplication except that:

- The nonresident district may require a pupil to reapply one time—at the beginning of middle school, junior high or high school.
- A pupil may be returned to the resident school district if the special education required in a new or revised IEP is not available in the nonresident district or there is no space.
- A pupil who has become habitually truant in the nonresident district may be returned to the resident district.

(continued on next page)

Is there a cost for parents to participate in the open enrollment program?

There is no tuition cost to parents for participation in open enrollment. Parents of open enrolled pupils may be charged the same fees as resident pupils.

Who is responsible for transportation?

Parents are responsible for transporting their children to and from school.

If transportation is required in the IEP for a child with a disability, it must be provided by the nonresident district.

School districts may provide transportation to open enrollment pupils if they wish. Usually, if transportation is provided, parents must transport the pupil to a location in the nonresident district.

Low-income parents may apply to the DPI at the end of the school year for partial reimbursement of their transportation costs.

Can a parent select a specific school in the pupil's nonresident school district?

Yes. A parent may request a specific school or program in the nonresident district. However, assignment to the requested school or program is not guaranteed and your pupil may be assigned to a different school other than the one requested. It is up to each nonresident district to determine a pupil's school assignment.

Can an open enrolled pupil participate in sports and other extra-curricular activities in the nonresident school district?

Open enrolled pupils have the same rights and responsibilities as resident pupils.

Inter-scholastic athletics are governed by the Wisconsin Interscholastic Athletic Association (WIAA), which has rules concerning transfer pupils. Parents should check with the school district's athletic director about eligibility.

IMPORTANT OPEN ENROLLMENT DATES

February 6 – April 28, 2023

Parents must submit applications online or directly to the nonresident school district.

June 9, 2023

Nonresident school districts must send notices of approval or denial via US mail or email. If the application is approved, the school district must notify the parents of the specific school or program to which the pupil is assigned. If the application is denied, parents have 30 days to file an appeal.

June 16, 2023

Resident districts must notify applicants if the application is denied. If the application is denied, parents have 30 days to file an appeal.

June 30, 2023

Parents of accepted applicants must notify the nonresident district if the pupil will attend the nonresident district in the 2023-24 school year. If the parent fails to make this notification, the nonresident district may refuse to allow the pupil to attend the district.
