Words Between Us & Earth Day

Our High School Students in Mrs. Thornton's and Mrs. Scherer's classes were entertained and enlightened through the program called Words Between Us. They explored the novel Long Way Down by Jason Reynolds. This program is part of the American Players Theater's educational programming.

Our fourth grade students took a virtual walk on the beaches of Florida through Zoom for Earth Day. Scuba diver Sierra showed us the random trash lying on the beach and showed us a turtle nest. We talked about ways to be good stewards of the every day, not just Earth Day!

Middle School Incentive Activity

by Danica Hampton

On Friday, April 22, the River Ridge Middle School students participated in the third quarter incentive activity. Unfortunately, we were unable to have it outside as we had originally planned, so instead, we had stations inside. We played Just Dance, card games, trivia, enjoyed snacks and gym time, and played yard games like bean bags and yard Jenga. All of the students had a great afternoon and we hope to continue this in the future.
