### River Ridge Active Parents (RRAP)

by Nicky Drone

First meeting of the school year will be **Monday, August 19 at 6:00 PM** in the high school cafeteria!

RRAP meets once a month to plan any upcoming RRAP sponsored activities and discuss any requests. We host a Halloween party for the elementary students, provide treats for various celebrations, help provide playground equipment, among other things through the year. RRAP funds the field trips for grades 4K through 8th. To raise money for this, we do an annual fundraiser.

We are always looking for additional members and new ideas! This is a great way to get involved and meet people, whether you are new to the area or this is your first child in school.

Meetings are listed on the District Calendar on the school's website. They are usually held on the first Monday of each month at 6:00 PM located at the school cafeteria, but please be sure to check the website.

Also, be sure to like our Facebook page: RRAP – River Ridge Active Parents

Dear Parent/Guardian

This fall, like every other, we will be having our annual Activity Code meeting. This will be held on August 5<sup>th</sup> at 6:30. **Only freshmen, juniors, and new students are required to attend the meeting.** As always, the student must be accompanied by a parent/guardian. The meeting is available for all students if they would like to attend. There will be a speaker this year to discuss Sportsmanship. All **high school** students interested in participating in athletics or co-curricular activities for the 2019-20 school year **will be required to sign the code.**

Every potential athlete will be required to complete a number of forms and waivers to allow them to participate in high school athletics. These forms include the WIAA informational handout, emergency cards, activity code, and the concussion waiver. The concussion waiver will only need to be completed once and is good for the whole school year. All student-athletes are required to take an Impact test before they can take part in any sport. This is not an annual requirement. Athletes heading into their freshman or junior years are required to take the test. Most of the incoming freshmen and soon to be juniors took the test in May. They will have this completed, unless they missed the meeting or moved after the testing date. If you are planning to be a fall athlete, are entering your freshman or junior year, and have not completed the Impact test, make sure you arrange a time to take the test before your season starts.

Each student-athlete must have a physical/alternate year card before participating in any sport. To determine what is needed, go off the last physical. If it was before April 1, 2018, a new physical will be needed. If it was between April 1, 2018 and April 1, 2019 only an alternate year card needs to be filled out. If unsure, it may be wise to get a physical in the summer before your freshman and junior years. You can also call or email me at school to get a definitive answer. Physical/Alternate year cards are available in the office. Please turn this information in at any time by putting it in my mailbox in the River Ridge High School office.

Activity fees are also expected to be paid before a student participates in any activity including practice. Activity fees are not just for athletics, as all students involved in any school organizations that use school funds should be paying the activity fee.

If the student and parent/guardian are unable to attend the meeting, the student will not be allowed to participate until we make the meeting available as a video online and it has been viewed by the athlete and the parent.

If you have any questions or concerns please contact me at the high school.

Sincerely,

A handwritten signature in purple ink, appearing to read 'Wade Winkers', written over a light blue horizontal line.

## Notice of Rights: Family Education Rights & Privacy Act

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18. Students to whom the rights have been transferred are "eligible students." These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to Dr. Jeff Athey or Mr. Clay Koenig a written request that identifies the record(s) they wish to inspect. Dr. Jeff Athey or Mr. Clay Koenig will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education record that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the River Ridge School District to amend a record that they believe is inaccurate or misleading. They should write Dr. Jeff Athey or Mr. Clay Koenig, clearly identify the part of the record they want changed and specify why it is inaccurate or misleading. If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when no-

tified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records to the following parties or under the following conditions:

- School officials with a legitimate educational interest
- Other schools to which a student is transferring, upon request by the other school
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies for or on behalf of the school
- Accrediting organizations
- To comply with a judicial order or lawfully issued subpoena
- Appropriate officials in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to Wisconsin law

School officials with legitimate educational interests are persons employed by the District as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the District has contracted to perform a special task (such as an attorney,

auditor, medical consultant or therapist); a parent or student serving on an official committee such as a disciplinary or grievance committee or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

**Special Education Programs**  
*Special Education (Child Find) Activities*  
 The River Ridge School District must locate, identify, and evaluate all resident children with disabilities, including children with disabilities attending private schools, regardless of the severity of their disabilities. The school district has a special education screening program to locate and screen all children with suspected disabilities who are residents of the district and who have not graduated from high school. Upon request the school district will screen any resident child who has not graduated from high school to determine whether a special education referral is appropriate. A request may be made by contacting: Special Education Coordinator, River Ridge Schools, PO Box 78, Patch Grove, WI 53817

**STUDENT NONDISCRIMINATION STATEMENT  
411 EQUAL EDUCATIONAL OPPORTUNITY

The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational or other programs or activities shall not be abridged or impaired. The River Ridge School District Board of Education complies with all Federal laws and regulations prohibiting discrimination and with all requirements of the U.S. Department of Education. It is the policy of the River Ridge School District Board of Education that no person on the basis of race, color, creed, religion or religious affiliation, national origin or ancestry, age, sex or sexual orientation, marital or parental status, pregnancy, physical, mental, emotional, or learning disability, or any other reason prohibited by state or federal law shall be discriminated against, excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in employment or in any educational program or activity for which it is responsible or for which it receives financial assistance from the U.S. Department of Education. Complaints are to be addressed to the District Administrator, River Ridge School District, 11165 County Highway P, Patch Grove, WI 53817.

**Notice: Divorced or Separated Parents**

Help us honor with your parental rights. Contact the River Ridge School District office for a form which outlines your custody, parental rights and contact information.

**Program and Curriculum Modifications**

Wisconsin Statute Section 118.15 requires that all students under the age of 18 attend school regularly. Wisconsin Statute Section 118.15(1)(d) also permits any student's parent or guardian, or a student if the parent or guardian is notified, to request, in writing, that the School Board provide the student with program or curricular modifications, including but not limited to:

1. Modifications within the student's current academic program.
2. A school work training or work-study program.
3. Enrollment in an alternative public school or program located within the student's school district of residency.
4. Enrollment in a nonsectarian private school located within the student's school district of residency which meets certain federal law requirements. Any such enrollment must be by contractual agreement which provides for tuition payment by the student's school district of residency.
5. Homebound study, including nonsectarian correspondence courses or other courses of study approved by the School Board or nonsectarian tutoring provided by the school in which the student is enrolled.
6. Enrollment in any public educational program located outside the student's school district of residency. Enrollment under this subsection may be pursuant to a contractual agreement between the school districts.

When a written request for a program or curriculum modification is made, the School Board will consider the request and render a written decision on the request within 90 days of the request except that if the request relates to a student who has been evaluated by an IEP team and has not been recommended for special education, the School Board will consider the request and render a written decision on the request within 30 days of the request. If the request is denied, the Board will give the reason or reasons for denial.

The student's parent or guardian may request the School Board to review or reconsider the decision it makes in response to a request for a program or curricular modification. The School Board will render its determination upon review in writing, if the student's parent or guardian so requests.

## Directory Data

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that River Ridge School District, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, River Ridge School District may disclose appropriately designated "directory information" without written consent, unless you have advised the River Ridge School District to the contrary in accordance with River Ridge School District procedures. The primary purpose of directory information is to allow the River Ridge School District to include information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information: names, addresses and telephone listings unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want River Ridge School District to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the River Ridge School District in writing within 14 days of the start of the school (or within two weeks of receipt of this notice if enrolling after the school year has begun). Forms are available in each district office.

- Student's name
- Address
- Telephone listing
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended

## 2019-20 Asbestos Notification

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that the River Ridge School District has an Asbestos Management Plan at the school district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of asbestos in January and July and full re-inspections every three years. For more information please contact the district office.

## 2009 WI Act 96 Indoor Environmental

The River Ridge School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator. Copies of the plan are available at the district office for a fee. The district office is located at 11165 County Highway P, Patch Grove, WI, 53817.

## Use of Video Cameras on School Buses

The River Ridge School District approves the use of video cameras on school buses for the primary purpose of reducing disciplinary problems and vandalism on the bus, thereby allowing the driver to focus on the driving of the bus and providing for safer transportation of students.

Parents shall be notified once a year via student handbooks and the annual "Back to School" newspaper publication that video cameras are being used on the buses, and a sign shall be placed at the front of each bus indicating that video cameras are present.

The bus company shall determine the rotation of the video camera and will maintain a log with dates, bus numbers and bus drivers. Bus drivers do not need to be informed on which bus the video camera is operating. Individual drivers, administrators and parents/guardians may request that the video camera be on a specific bus on designated dates (to be decided by River Ridge Administration).

Only the bus company manager, bus drivers, administrators of the district and school board members shall be authorized to view the videotape for the purpose of documenting a problem and determining which students may be involved. Disciplinary action may be taken with students based on a video documentation. The isolated segment of the videotape that documents the incident may be viewed by the identified student and his/her parent/guardian. The bus company designee or school administrators shall view the

videotape with the student and parent/guardian and document the date and names of all individuals viewing the videotape.

The videotape shall not be available for viewing by the public in general, the media or other individuals. The school administration may authorize other individuals such as a guidance counselor, school psychologist or social worker to view segments of a specific videotape if such individuals are working with the student on the videotape because of a behavioral, emotional or learning problem and viewing the videotape is beneficial to their role in assisting the student. A log shall be kept of the date and names of the individuals viewing the videotape.

If there are no reported bus problems pertaining to the date a videotape was recorded, the bus company may erase or reuse the videotape after ten school days. If there was a bus problem recorded on videotape, that tape will be kept until approved by River Ridge Administration to reuse.

## Locker Search

School lockers are the property of the River Ridge School District. At no time does the River Ridge School District relinquish its exclusive control of lockers provided for the convenience of students. Periodic general inspections of lockers may be conducted by school authorities for any reason, at any time, without notice, without student consent and without a search warrant as stated in section 118.325 of the state statutes.

## Student Dress Code

Students are encouraged to dress appropriately for school. The limits that are imposed have to do with cleanliness and with clothing considered distracting, wholly inappropriate, or unsafe for the classroom. Within limits, dress and appearance are a matter of individual taste and responsibility. Generally, dress appropriate when leaving home is appropriate at school. No student is allowed to change clothing at school except for a school-sponsored activity.

Penalties for violation of the dress code may include individual counseling, sending the student home to change before returning to school, and parent conference, as necessary.

## Mandatory Reporting

For certain persons who see children whom they suspect have been abused, neglected, or assaulted, Wisconsin law requires that they must report their suspicions or face a penalty themselves. Persons who are required to report include: school social workers, speech therapists, nurses, psychologists, guidance counselors, teachers and administrators. It is not the duty of the River Ridge staff to investigate such incidences or make a determination as to whether the abuse, neglect or assault actually occurred. A reasonable cause to suspect is all that is required.

## Medical Guidelines

### Injury on School Grounds and Property

Any student injured on school grounds or property must notify a school district employee as soon as possible. In the event of an injury on school grounds or property, the teacher/supervisor/employee is to notify the principal of the nature and extent of the injury. The principal will then decide what course of action to pursue. Should the injury be minor in nature, treatment will be made by school personnel. A more serious injury will require immediate notification of the parent/guardian for instructions unless the situation calls for immediate assistance of the West Grant Rescue Squad.

### Medical Attention

Should the injured student need medical attention not available on school premises, the parents will be asked to make arrangements to transport their student to a medical facility. In the event the parent cannot be reached, the person designated on the EMERGENCY CARD will be contacted. If transportation cannot be provided, the rescue squad or, if necessary, a school staff member will transport the student to the doctor specified and will, if necessary, wait for the student and return him/her to school or home.

In the event of a serious injury and there is no EMERGENCY CARD on file and the parent/guardian cannot be reached, the student will be transported to Gundersen Clinic, Prairie du Chien for treatment.

### Students Under Medical Care/Treatment

In order to enable the staff to effectively react to any seizure or allergy attack (including food allergies), parents/guardians are responsible to notify Administration of any medical condition that may occur because of an existing illness or condition.

### Students Feeling Ill During the School Day

Students who become ill while at school during class should report to the teacher or office. High school and middle school students may report to the office if they are ill during lunch or the time between classes. If the administration decides the student should be sent home, the parents/guardians will be notified.

### Medication Forms

All students need to have a medication form filled out if any over the counter or prescription medication is to be taken at school. All medications need to be in their original container. Forms are available from the district office.

Emergency forms will be available during registration or at the beginning of the school year. Please take the time to fill these out and return as soon as possible. In case of an emergency, we need to know who to contact.

## HOW TO APPLY FOR FREE AND REDUCED PRICE SCHOOL MEALS FOR 2019-20 School Year

Please use these instructions to help you fill out the application for free or reduced price school meals. You only need to submit one application per household, even if your children attend more than one school in Essex. The application must be filled out completely to qualify for free or reduced price school meals. Please follow these instructions in order. If at any time you are not sure what to do next, please contact River Ridge School District 608-984-2115. If your child attends a Community Eligibility Provision School (CEP), receipt of free breakfast and lunch meals does not depend on returning this application. However, this information is necessary for other programs.

**PLEASE USE A PEN (NOT A PENCIL) WHEN FILLING OUT THE APPLICATION AND DO YOUR BEST TO PRINT CLEARLY.**

### STEP 1: LIST ALL HOUSEHOLD MEMBERS WHO ARE INFANTS, CHILDREN, AND STUDENTS UP TO AND INCLUDING GRADE 12

Tell us how many infants, children, and school students live in your household. They do NOT have to be listed to you to be a part of your household.

Who should I list here? When filling out this section, please include ALL members in your household who are:

- Children grades K-2 or under AND are supported with the household's income; and
- In your care under a foster arrangement, or qualify as homeless, migrant, or runaway youth, or enrolled in a Head Start program.

A) List each child's name. Print each child's name. Use one line of the application for each child. When printing names, write one letter in each box. Stop if you run out of space. If there are more children in your household than lines on the application, attach a second piece of paper with all required information for the additional children.

B) Enter the grade and the name of the school the child attends or mark n/a if not in school.

C) Do you have any foster children? If any children listed are foster children, mark the "Foster Child" box next to the children's names. If you are ONLY applying for foster children, after finishing STEP 1, go to STEP 4. Foster children who live with you every day as members of your household and should be listed on your application. If you are applying for both foster and non-foster children, go to step 3.

D) Are any children homeless, migrant, runaway or enrolled in a Head Start program? If you believe any child listed in this section meets this description, mark the "Homeless, Migrant, Runaway or Head Start" box next to the child's name and complete all steps of the application.

### STEP 2: DO ANY HOUSEHOLD MEMBERS CURRENTLY PARTICIPATE IN FOODSHARE, W-2 CASH BENEFITS OR FDIPIR?

If anyone in your household (including you) currently participates in one or more of the assistance programs listed below, your children are eligible for free school meals:

- The Supplemental Nutrition Assistance Program (SNAP) or FoodShare.
- Temporary Assistance for Needy Families (TANF) or W-2 Cash Benefit.
- The Food Distribution Program on Indian Reservations (FDPIR).

A) If no one in your household participates in any of the above listed programs:

- Leave STEP 2 blank or check "No" and go to STEP 3.

B) If anyone in your household participates in any of the above assistance programs:

- Write a case number and name of the assistance program you or any member of the household participates for FoodShare, W-2 Cash Benefit, or FDIPIR. You only need to provide one case number. If you participate in one of these programs and do not know your case number, contact your case worker, Medicaid and BadgerCare case numbers do NOT qualify for free or reduced price meals.
- Go to STEP 4.

### STEP 3: REPORT INCOME FOR ALL HOUSEHOLD MEMBERS

How do I report my income?

- Use the charts titled "Sources of Income for Children" and "Sources of Income for Adults," printed on the back side of the application form, to determine if your household has income to report.
- Report all amounts in GROSS INCOME ONLY. Report all income in whole dollars. Do not include cents. Gross income is the total income received before taxes. Many people think of income as the amount they "take home" (net pay on paycheck stub) and not the total, "gross" amount. Make sure that the income you report on this application has NOT been reduced to pay for taxes, insurance premiums, or any other amounts taken from your pay.

• Write a "0" in any fields where there is no income to report. Any income fields left empty or blank will also be counted as a zero. If you write "0" or leave any fields blank, you are certifying (promising) that there is no income to report. Fiscal officials suspect that your household income was reported incorrectly, your application will be investigated.

• Mark "0" on each type of income is received using the boxes to the right of each field.

**3.A. REPORT INCOME EARNED BY CHILDREN**

A) Report all income earned or received by children. Report the combined gross income for ALL children listed in STEP 1 in your household in the box marked "Child Income." Only report foster child's personal income if you are applying for them together with the rest of your household.

What is Child Income? Child income is money received from outside your household that is paid DIRECTLY to your children. Many households do not have any child income.

**3.B. REPORT INCOME EARNED BY ADULTS**

List adult household members' names.

- Print the name of each household member in the boxes marked "Name of Adult Household Members (First and Last)." When filling out this section, please include ALL adult members in your household who you living with you and share income and expenses, even if they are not related, and report their share of income of their own.
- Do NOT include:
  - People who live with you but are not supported by your household's income AND do not contribute income to your household
  - Infants, children and students already listed in Step 1

<p><b>4) Report earnings from work.</b> Report all total gross income (before taxes) from work in the "Earnings from Work" field on the application. This is usually the money received from working at jobs. If you are a self-employed business or farm owner, you will report your net income.</p> <p>What if I am self-employed? Report income from that work as a net amount. This is calculated by subtracting the total operating expenses of your business from its gross receipts or revenue.</p> <p><b>5) Fluctuating Income.</b> For seasonal workers and others whose income fluctuates and usually earns more money in some months than others. In these situations, project the annual rate of income and report that. This includes workers with annual employment contracts but may choose to have salaries paid over a 12-month period of time. For example, school teacher</p>	<p><b>D) Report income from public assistance/child support/alimony/SSI/VA benefits.</b> Report all income that applies in the "Public Assistance/Child Support/Alimony" field on the application. Do not report the cash value of any public assistance benefits NOT listed on the chart. If income is received from child support or alimony, only report court-ordered payments. Informal but regular payments should be reported as "other" income in the next part.</p>	<p><b>E) Report income from pensions/retirement or other income.</b> Report all income that applies in the "Pensions/Retirement/Social Security/All Other Income" field on the application.</p>
<p><b>6) Report total household size.</b> Enter the total number of household members in the field "Total Household Members (0-18 year old adults)." This number MUST be equal to the number of household members listed in STEP 1 and STEP 2. If there are any members of your household that you have not listed on the application, go back and add them. It is very important to list all household members, as the size of your household affects your eligibility for free and reduced price meals.</p>	<p><b>G) Return completed form to:</b> River Ridge School District, 11005 County Hwy H, Patch Grove, WI 53817</p>	<p><b>H) Provide the last four digits of your Social Security Number (SSN). An adult household member must enter the last four digits of their SSN in the space provided. You are able to apply for benefits even if you do not have a SSN if no adult household members have a SSN, leave this space blank and mark the box to the right labeled "check here if no SSN."</b></p>

**STEP 4: CONTACT INFORMATION AND ADULT SIGNATURE**

An adult member of the household must sign the application. By signing the application, that household member is promising that all information has been truthfully and completely reported. Before completing this section, please also make sure you have read the privacy and civil rights statements on the back of the application.

A) Provide your contact information. Write your current address in the fields provided if this information is available. If you have no permanent address, this does not include your children (eligible for free or reduced price school meals). Showing a phone number, email address, or both is optional, but helps us reach you quickly if we need to contact you.

B) Print or sign your name. The adult filling out the application must print or sign their name in the signature box.

C) Return completed form to: River Ridge School District, 11005 County Hwy H, Patch Grove, WI 53817

D) Share children's racial and ethnic identities (optional). On the back of the application, we ask you to share information about your child(ren)'s race and ethnicity. This field is optional and does not affect your children's eligibility for free or reduced price school meals.
